

RETURN TO SENDER - *Lansing* Version

SB 4 passed the Senate
Unanimously,
Banning import of waste here.
Yet it sits in committee

So vote upon it.

That address unknown,
Don't want their trash here,
Tell 'em to take it home.
No need to quarrel.
No need to have a spat.
But if others send us their trash,
We'll just send it back.

We're getting trash from Toronto,
Ohio's dirty oil,
And batteries from Chicago
Will pollute Michigan's soil.

So vote upon it.

That address unknown,
Don't want their trash here,
Tell 'em to take it home.
No need to quarrel.
No need to have a spat.
But if others send us their trash,
We'll just send it back.

We'll take Canada's hockey,
Beer and curling, too,
But if they send us their garbage,
You know what we're going to do.

We'll write upon it:

We'll just send it back.
