Helpful Hints

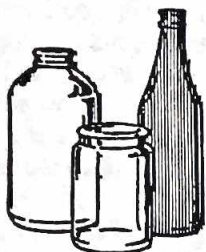

- ☺ separate your recyclables into the appropriate labeled sections.
- ☺ All paper items should be placed into the section marked NEWSPAPERS.
- ⊗ Please do not drop off your recyclables in plastic bags of any kind. Plastic bags are not recyclable in our program and are a nuisance at the recycling facility. Kroger's, Busch's Valu-land and Walmart collect them for recycling.

Glass Bottles and Jars

Food and beverage containers of any color are acceptable. Rinse out, and remove lids. Labels and neck rings do not have to be removed. Window glass, dinnerware, drinking glasses and other non-food glass are not

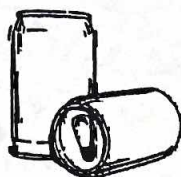

Metal Cans and Lids

Remove labels, rinse out and flatten when possible. Empty paint cans are not acceptable.

Plastic Bottles- #1 PETE & #2 HDPE

Small mouthed bottles only. Common examples are milk jugs, shampoo bottles, laundry detergent bottles. No margarine tubs or wide mouth containers. No plastic bags, lids or motor oil containers.

Aluminum Cans, Trays and Foil

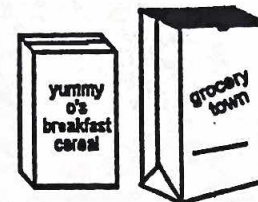

Rinse out and flatten. No aluminum cookware.

Newspapers, Magazines, Phonebooks and Paperback Books

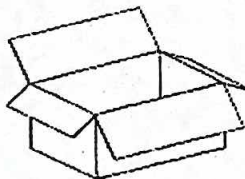

No hard cover books.

Earthfriendly tip:
Consider passing on old magazines and paperbacks to Senior Centers or Nursing homes. Check with your local school, too. Teachers often use magazines for student projects.

Boxboard and Paper Bags

Boxboard examples are cereal boxes, tissue boxes, shoe boxes, canned beverage boxes, backs of note pads, paper towel and toilet tissue tubes and paper egg cartons. Frozen food boxes are not acceptable.

Corrugated Cardboard

Boxes must be flattened to maximize space. No waxed cardboard. Put into compartment with newspapers.
