

HOW CAN I LOWER MY HEATING BILLS?

LET THE
SUN HEAT
YOUR HOME
FOR FREE!

OPEN CURTAINS AND
SHADES DURING SUNNY
DAYS TO LET HEAT AND
LIGHT IN. CLOSE ON
CLOUDY DAYS AND AT
NIGHT.

KEEP FURNITURE AND DRAPES
AWAY FROM HOT AIR REGISTERS
SO HEAT DOESN'T GET BLOCKED.

KEEP WINDOWS AND
DOORS CLOSED WHEN
THE HEAT IS ON! IF
YOU WANT TO LET
FRESH AIR IN AT
TIMES, DO IT DURING
THE DAY WHEN THE
SUN IS SHINING IN
AND YOU CAN TURN
DOWN THE HEAT.
